Coffee Morning/Support Group

Our coffee morning/support group continues to be a great success. We are hoping that once the weather improves to get the ladies and their children out and about at their request to places such as Kelvingrove. Hope Garden in the Muirfield Centre will be starting up shortly for you to grow your own vegetables. If you are interested, let your resource worker know.

On 14th June, a representative from Police Scotland will be coming out to see us. He will come out and discuss how to keep yourselves safe and will be available to answer questions afterwards.

If you have any other ideas on what kind of activity you would like to participate in during the coffee morning/support group, please let the Resource Worker know.

Refuges

If you find anything that requires to be repaired within the refuge, please let the Resource Worker know.

Wellbeing and Energy Event

We attended the above event held in New Town Hall in April. This event included representatives for Citizen's Advice Bureau, Police Scotland, and Now You're Talking. This event was organised by Jamie Hepburn MSP and was well attended.

Web Page

We are currently in the process of designing a web page to represent us. If you have any ideas of what you would like to see included on our page, let your resource worker know.

Remember....

We are always looking for suggestions to improve our service. If you have any ideas, write them out on the forms in the office and place in the suggestion envelope.

You can also view all our Policies and Procedures at our offices, and the Care Commission Inspection Report is also available.

INVESTORS IN PEOPLE
